The easements, covenants, conditions and restrictions contained in this Declaration are made for the mutual and reciprocal benefit of each and every owner of any portion of the land within the Subdivision and are intended to create (i) mutual and equitable servitudes upon each portion of land including each of the lots, tracts and Common Area, if any, in favor of each and all other portions and tracts of land within the Subdivision, (ii) reciprocal rights between the respective owners of any portion of the land, and (iii) privity of contract and estate between the grantees of each portion of the land, their heirs, legal representatives, successors and assigns.

(b) This Declaration may be amended in any respect and in whole or in part at any time by recording an instrument containing such amendment(s) in the deed records of the County. Such amendments may be made by the lot owners if such amendments have been approved by the owners representing at least two-thirds (2/3rds) of (i) all votes of each class of voting membership (if the Association has been created and is in existence as of the date of such vote), or (ii) the votes of the lot owners at a meeting at which a quorum is present if the Association has not been created or is no longer in existence as of the date of such vote, whichever applies; provided, however, until the earlier of (1) the construction of residences on all lots within the Subdivision, or (2) ten (10) years following the recording of this Declaration, no such amendment shall be valid or effective without the joinder of Developer and the Committee (if formed) unless such party waives its rights to consent to such amendment; provided, further, if the Association is formed and FHA or VA approval is obtained for the lots to permit HUD insured mortgages for home purchases, then as long as the Association has Class B members, any amendment which affects or alters any provisions hereof directly governed or regulated by the FHA or VA shall also be subject to the approval of the FHA, VA and Department of Housing and Urban Development ("HUD") unless such amendments merely correct errors in this Declaration or are required to comply with any requirements imposed by HUD, FHA or VA.

Section 2.2 Declarant and Developer.

(a) The initial Declarant of this Declaration is Burkett. After this Declaration is created and filed of record, the Declarant shall have no further rights, duties or obligations hereunder, and all of their rights shall immediately pass to and vest in the Developer hereunder.

(b) The initial Developer shall be Burkett. The Developer shall have the right, but not the obligation, in the event of the transfer of all or any portion of its portion of the Subdivision to another person or entity, to convey all or a portion of the rights and obligations of such Developer to such transferee, whereupon such transferee shall become "Developer" for all purposes hereunder with respect to, but only with respect to the portion of the Subdivision so conveyed to such transferee. Section 2.3 Association.

(a) Commencing on the date hereof and continuing until at least ninety-five percent (95%) of all lots in the Subdivision have been sold to lot owners and have residences thereon, Developer shall have the sole right, but not the obligation, to create the Association as a Texas non-profit corporation. In no event, however, shall any such instrument be construed so as to revoke, modify or add to the covenants established by this Declaration as they are applicable to the Property. Furthermore, the following provisions shall apply:

(f) In the event any person or entity other than the Developer desires to add or annex additional residential properties and/or common areas to the scheme of this Declaration, such proposed annexation must have the prior written consent and approval of the Developer and at least two-thirds (2/3rds) of the votes of all lot owners, excluding for such purposes the lots owned by the Developer.

(b) Developer, or the Committee (if formed) acting pursuant to a majority vote of its members, whichever applies, shall have the right, power and authority to enforce the covenants, conditions, restrictions and all other terms contained in this Declaration relating to the matters within its purview as set forth herein. At such time as the submitted documents meet the approval of the Developer or the Committee (if formed), one complete set of the submitted documents will be retained by such party and the other complete set shall be marked "Approved", signed by such party and returned to Builder or its respective designated representative. If disapproved by such party, one set of documents shall be returned marked "Disapproved" and shall be accompanied by a statement of the reasons for disapproval, which statement shall be signed by such party. Such

party's approval or disapproval shall be in writing. In no event shall such party give oral approval of any documents. Notwithstanding the foregoing, if such party fails to respond to any submitted documents within ninety (90) days after the date of submission, the matters submitted shall be deemed to be approved.

Such party shall also have the authority, among other things, to require as a minimum, a six (6) to twelve (12) foot roof pitch or slope on the main structure of the residence and a minimum of a four (4) to twelve (12) foot roof pitch or slope on the garage or porches, subject to such party's ability to permit slight variances for garage and porch roof pitch or slope, to require that the exterior surfaces of the chimney chases be covered with brick, masonry or wood, to prohibit the use of lightweight composition roof material, to require that the colors of roofing materials be earth tones, to require the use of certain types of divided light windows (such as bronzed, white or black), to prohibit or regulate the use of solar or heating panels, to regulate the construction and maintenance of awnings and generally to require that any plans meet the standards of the existing improvements on neighboring lots. Such party may from time to time publish and promulgate bulletins regarding architectural standards, which shall be fair, reasonable and uniformly applied and shall carry forward the spirit and intention of this Declaration.

Section 4.6 Termination. The Committee shall cease to exist on the date on which, with the prior written approval of Developer (if the committee was created and sanctioned by the Developer and the Developer has not relinquished control or its right to give such approval) or the Board (if the Association has been formed and is still in existence as of such date) or the lot owners representing a majority of the votes of the lot owners (if the Association has not been created or is no longer in existence as of such date and the Developer has relinquished control or its right to give such approval), or all the members of the Committee, file a document declaring the termination of the Committee. If there is no Committee in authority, then no approval by the Committee shall be required under this Declaration, and variations from the standards set forth in this Declaration shall then be made in accordance with the general development standards as reflected in the approved plans, construction materials, landscaping and other matters (i) by Developer, and (ii) by the Association (if formed) if Developer fails to take action relating thereto or after the Developer has relinquished control hereunder.

Section 4.7 Liability of Developers and the Committee.

(a) Developer and the members of the committee shall have no liability for decisions made by them so long as such decisions are made in good faith and are not discriminatory, arbitrary or capricious. Any errors in or omissions from the documents submitted to the Developer or committee (if formed) shall be the responsibility of the entity or person submitting the documents, and Developers or Committee (if formed) shall have no obligation to check for errors in or omissions from any such documents, or to check for such documents' compliance with the general provisions of this Declaration, City codes and regulations, FHA or VA regulations, state status or the common law, whether the same related to lot lines, building lines, easements or any other issue.

(b) Declarant and Developer shall have no responsibility or liability for (i) the creation, selection, management or operation of the Committee, (ii) any actions taken or omitted to be taken by or on behalf of the Committee as a result of, in connection with, under, or pursuant to this Declaration or the Subdivision, or (iii) any liabilities, obligations, debts, actions, causes of action, claims, debts, suits or damages incurred by or on behalf of, or arising in connection with the Committee, the Subdivision or the duties and obligations of the Committee pursuant to this Declaration.

Section 5.1 Fences, Walls, Sprinkler Systems and Other Improvements in the Restricted Area.

Developer and/or the Association, whichever applies, shall have the right, but not the obligation, to erect, install, maintain, repair and/or replace fences, walls, subdivision monuments, signs, improvements and/or sprinkler systems within those portions (the "Restricted Area") of any lot which are located between the property lines of such lot and the setback or sight lines of such lot as established by the Plat(s), this Declaration or any governmental entity. If any fence, wall, subdivision monument, sign, improvement or sprinkler system is erected or installed on any lot(s), such fence, wall, subdivision monument, sign, improvement or sprinkler system shall be the property of the owner of the lot on which such fence, wall, subdivision monument, sign, improvement or sprinkler system is erected or installed, subject to the easements and rights of Developer as set forth below. No fence, wall or sprinkler system shall be erected or installed in the Restricted Area by the owner of the affected lot without the prior written consent of Developer, provided that any fence, wall or sprinkler system installed by the Developer in the Restricted Area may be maintained, repaired and/or replaced by the owner of the affected lot.

Section 5.2 Limited Use Easement. Those lots, which abut Lot 1 and 7, Block 5 and Lot 1, Block 1 are specifically granted a limited use easement for the following limited purposes:

1. The abutting owner may erect a fence extending from said owners lot line to connect with the fencing of said adjacent lot line erected by Developer or the Association (if formed) provided such fencing is pre-approved by the Developer or committee (if formed).
2. The area inside the fence but outside said owners property line may be used and enjoyed by the abutting owner subject to said owner's maintaining said property including the fencing thereon and using the same in compliance with these restrictions. Owner shall not alter or obstruct the surface drainage in the limited use area but can landscape the same after obtaining approval of the landscape plan by the Developer or the Committee (if formed).
3. Owner's limited use easement shall be subject at all times to the right of Developer or the Association (if formed) to enter the area covered by the easement for the purpose of maintaining fencing or other improvements and such easement shall be subject to revocation if any of the provisions contracted on this paragraph are violated.

Section 5.3 Landscaping. Developer shall have the right but not the obligation to grade, plant and/or landscape and maintain, repair, replace and/or change such grading, planting and landscaping on any portion of the Restricted Area of any lot provided that such grading, planting and landscaping conforms with the landscaping plan approved by the Developer or Committee (if formed) as set forth above. In the event Developers do not landscape the Restricted Area, the owner of the affected lot may plant grass and, with the prior written consent of Developer, may landscape, install a sprinkler system and plant trees and shrubs in the Restricted Area; provided, however, in no event shall an owner erect or maintain any structure, paving or improvement other than landscaping and a sprinkler system in the Restricted Area.

Section 5.4 Restricted Area and Fence Encroachment Easement.

(a) Developer shall have the right and an easement to enter upon the Restricted Area for the purpose of exercising the discretionary rights set forth in Section 5.1 and 5.2 hereof.

(b) Each owner, as grantor, grants to each owner of each immediately adjacent lot, as grantee, a non-exclusive reciprocal easement, license, privilege and right-of-way for the encroachment of any common fence upon such grantor's lot and for the right to attach any adjacent lot boundary fences to any common fence; provided, however, that no such encroachment shall extend more than two (2) feet into such grantor's lot and no such attachment shall irreparably and visibly damage the common fence. Without limiting the foregoing, the grantee shall have the easement, license, privilege and right-of-way for free, continuous and uninterrupted use of ingress and egress over and across the encroachment area which is located between the grantor's property line and the common fence, provided that the grantee agrees (i) not to construct or permit to exist within or on the encroachment area any building, structure or other

obstruction, (ii) to immediately repair any portion or condition of the encroachment area which is not in good condition or which is in need of repair, and (iii) to mow, water, weed and otherwise maintain and repair, at its sole cost and expense, the encroachment area in good condition and in accordance and compliance with all laws, rules, regulations, restrictions and covenants affecting the encroachment area and in accordance and consistent with the standards maintained in the Subdivision. In the event that grantee fails or refuses to reasonably maintain and repair the encroachment area as generally described above, then the grantor may, if such condition continues after expiration of ten (10) days after written notice of such failure to the grantee, perform the maintenance and other duties described herein in which event the grantee shall immediately reimburse grantor all costs and expenses associated with maintaining or performing such duties as generally described above.

(c) Each grantee hereby grants to each grantor as such terms are used in Paragraph (b) above, a non-exclusive reciprocal easement, license, privilege and right-of-way to utilize and travel across such portions of the grantee's property as may be necessary or appropriate to provide access and ingress and egress to, and to maintain, repair, reconstruct and replace, their common fence. The grantor and grantee hereby agree to contribute equally to the maintenance, repair, reconstruction and replacement of any common fence, and if either grantor or grantee refuse to contribute or to participate in such maintenance, repair, reconstruction or replacement, then the other party may perform such duties and take such actions as it deems appropriate, and the non-performing parties shall reimburse the performing party for one-half (1/2) of all costs and expenses associated therewith. Without limiting the foregoing, in the event that the common fence needs to be replaced or substantially repaired which involves substantial renovation or reconstruction of the common fence either party reserves the right, subject to all applicable laws, rules, regulations, restrictions and covenants, to relocate the common fence to the common property line between the grantor's and grantee's properties in which event the encroachment easement described in Paragraph (b) above shall immediately terminate upon completion of such renovation, reconstruction and relocation of the common fence to the common property line.

(d) The easements, licenses, privileges and rights-of-way described in this Section 5.4 shall constitute covenants running with each of the affected adjacent lots pursuant to applicable law for the benefit of each of the affected adjacent lots and the owners of such affected adjacent lots and their respective successors and assigns, and shall burden each of such affected adjacent lots, the owners of such affected adjacent lots and their successors and assigns.

Section 5.5 Termination. Upon notice from Developer, recorded in the public records of the County, Developer may terminate any or all of its rights, easements and authority pursuant to this Article V.

Section 5.6 Association's and Lot Owner's Rights. Notwithstanding any contrary provision herein, the Association (if the Association has been formed) and the lot owners (if the Association has not been formed or is no longer in existence) shall have the right, but not the obligation, to exercise, at the Association's or lot owners' sole expense, any of Developer's rights, easements and authority pursuant to this Article V, but only to the extent that the Developer has relinquished its rights herein or elects not to exercise such rights, easements and authority. Developer's termination of its rights pursuant to Section 5.6 shall have no effect on the Association's or lot owners' rights pursuant to this Section 5.7

ARTICLE VI MAINTENANCE

No owner shall permit weeds or grass to grow to a height of greater than six (6) inches upon its lot. Upon failure of the owner of any lot to maintain such lot (whether or not developed), Developer may, as its option, have the grass, weeds and vegetation cut as often as necessary in its judgment, and the owner of such lot shall be obligated, when presented with an itemized statement, to reimburse Developer for the cost of such work. In the event Developer shall fail to exercise its right granted under the preceding sentence within ten (10) days following written notice to Developer from the Association (if formed) or the City stating the Association's or City's intent to exercise such right, the Association or City, whichever applies, shall have the right, in lieu of Developer, to have the grass, weeds and vegetation cut as provided above, and upon exercise of such right, the owner of such undeveloped property or the owner of the lot in question shall be obligated, when presented with an itemized statement, to reimburse the Association or City, whichever applies, for the cost of such work. These provisions shall be construed to create a lien in favor of the performing party against such property for the cost of such work or the reimbursement sought for such work performed on such property. In the event that the Association has not been formed or is no longer in existence, then the rights of the Association described herein may be exercised by the lot owners as set forth in Section 10.7(b) herein.

In the event Developer shall fail to exercise their right granted under the preceding sentence within ten (10) days following written notice from the Association (if formed) or the district to Developer of the Association's or District's intent to exercise such right, the Association or District shall have the right, in lieu of Developer, to perform such maintenance as provided above, and upon exercise of such right, the owner of such lot in question shall be obligated, when presented with an itemized statement, to reimburse the Association for the cost of such maintenance work. These provisions shall be construed to create a lien in favor of the performing party against such lot for the cost of such work or the reimbursement sought for such work or the reimbursement sought for such work performed on such lot. In the event that the Association has not been formed or is no longer in existence, then the rights of the Association described herein may be exercised by the lot owners as set forth in Section 10.7(b) herein.

ARTICLE VII MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION AND VOTING RIGHTS OF THE LOT OWNERS

Section 7.1 Membership in the Association. In the event the Association is formed and created, then, upon formation and creation of the Association, every owner of a lot shall be a member of the Association, which shall function as a homeowner's association for the owners of lots in the Subdivision. Membership shall be appurtenant to, and shall not be separated from, ownership of a lot. Without limiting the foregoing, the owner(s) (including the Developer) of land which has not been final platted and fully developed shall have membership in the Association as if the land had been final platted and fully developed into the lots reflected on the Preliminary Plat, and shall be entitled to vote for each such proposed lot in accordance with the provisions of Section 7.2 hereof.

In this regard, any reference in this Declaration to approval or action by the lot owners shall require the affirmative vote of such lot owners taking into account the weighted voting set forth above.

Subject to the provisions of Section 4.1, the Board shall appoint the Committee in the manner set forth in Section 4.1 hereof.

(b) Notwithstanding anything contained in the preceding subparagraph (a) or elsewhere in these Declaration to the contrary, as long as the Developer own any lot(s) in the Subdivision, the Developer shall be entitled to appoint at least one (1) member of the Board, or such larger number of members as their lot ownership and weighted voting may warrant.

Section 7.4 Bylaws. The Association (if created) may make whatever rules and bylaws it deems desirable to govern the Association and its members; provided, however, any conflict between such bylaws and the provisions hereof shall be controlled by the provisions hereof.

 **Section 7.5 Inspections Rights.** Each owner shall have the right to inspect and examine the books, records and accounts of the Association at reasonable times upon reasonable written notice, provided that such inspection and examination shall be at such owner's sole cost and expense.

From and after the Lot Approval Date, Developer, for each fully developed lot in the Subdivision, hereby covenants, and each owner (other than the Developer), by acceptance of a deed to a lot, is deemed to covenant and agree to pay a maintenance account or fund established by Developer or the Association (if the Association has been formed and is in existence as of such date) (a) annual assessments, and (b) special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs of collection and reasonable attorney's fees, shall be a charge on each lot and, if unpaid as described in Section 8.5 hereof, shall constitute a continuing lien upon the lot against which each such unpaid assessment is made. Each such assessment, together with interest, costs of collection and reasonable attorney's fees shall be the personal obligation of the owner of such lot at the time when the assessment came due. The personal obligation for delinquent assessments shall not pass to such owner's successors in

title unless expressly assumed by them, provided that the lien for such assessments shall continue and may be enforced against the lot.

Section 8.2 Annual Assessment.

(a) From an after the Lot Approval Date, each lot shall hereby be subject to an annual assessment for the purpose of creating a fund to be designated and known as the "maintenance fund". The annual assessment will be paid by the owner of each lot to an account or fund established by Developer or the Association (if the Association has been formed and is in existence as of such date) annually in advance or in such intervals and methods as may be established by Developer or the Board from time to time. The annual assessment for unimproved lots shall be one-fourth (1/4) the annual assessment for improved lots. A lot shall be an "Improved Lot" when construction of a Residence thereon is completed, and a closing of a sale thereof has taken place, or when a Residence on the lot has been occupied as a residence, whichever first occurs. All other lots shall be "Unimproved Lots". The assessment per lot for the year in which the Lot Approval Date occurs shall be \$325.

(b) The assessment for a particular lot for the calendar year in which the Lot Approval Date occurs shall be prorated for such calendar year for the period commencing on the Lot Approval Date and ending on December 31 of such calendar year. The rate at which each lot will be assessed for subsequent years will be determined annually at least thirty (30) days in advance of each annual assessment by the party creating the assessment as set forth above, provided that, without a vote of the membership as described in the next sentence, the annual assessment, if created by the Association, may not be increased by the Association in any year by an amount in excess of ten percent (10%) above the previous year's annual assessment. The annual assessment may be increased by the Association by an amount in excess of ten percent (10%) of the annual assessment for the previous year by the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose at which a quorum is present. The notice and quorum requirements for such meeting are the same as those set forth in Section 8.4 for special assessments for capital improvements. The assessments for each lot shall be uniform. Developer, or the Association, shall upon demand and upon payment of a reasonable fee, furnish a certificate signed by an officer of Developer or the Association setting forth whether the assessments on a specified lot have been paid.

Section 8.3 Purposes: Developers or the Association (if formed), whichever applies, shall use the proceeds of the maintenance fund for the use and benefit of the Subdivision. Such uses and benefits may include, by way of example and not limitation, any and all of the following:

(a) maintaining, operating, managing, repairing, or improving any landscaping, lighting, sprinkler systems, walls, fences, subdivision monuments, signs, perimeter access gates, and streets and other features located in any Restricted Area and other common areas owned by Developer or the Association, whichever applies, as designated on the Plat(s). All of the items and features referenced in this subparagraph (a) are hereinafter collectively referred to as the "Common Area";

(b) mowing the grass, maintaining the gravel and maintaining signs in or adjoining any rights-of-way or easements in the event the City or County fails to maintain such areas;

(c) paying legal charges and expenses incurred in connection with the enforcement of all recorded charges and assessments, covenants, restrictions and conditions affecting the land to which the maintenance fund applies;

(d) paying reasonable and necessary expenses in connection with the collection and administration of the assessments;

(e) paying insurance premiums for liability and fidelity coverage for Developer, Committee and/or the Association and/or their officers and directors, employing policemen and watchmen, caring for vacant lots and doing any other things which are necessary or desirable in the option of Developers or the Board, whichever applies, to keep the lots neat, secure and in good order, or which are considered of

general benefit to the owners or occupants of the Subdivision, it being understood that the judgment of Developer or the Board, whichever applies, in the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith; and

(f) making additional deposits to the capital reserve fund for the long-term repair and replacement of capital items (such as entry gates, and streets owned and maintained for the benefit of the lot owners).

Section 8.4 Special Assessments for Capital Improvements.

(a) In addition to the annual assessments authorized above, the Developer (if the Association has not been formed or is no longer in existence as of such date) or the Association (if the Association has been formed and is in existence as of such date) may levy, in any calendar year after the Lot Approval Date, a special assessment, applicable to the year only, for the purpose of defraying, in whole or in part, the cost of any indemnification set forth in the Articles of Incorporation or Bylaws for the Association (if formed) and any construction, reconstruction, repair or replacement of a capital improvement on or to the Recreation Center (if any), Restricted Area or Common Area (if any) in that same or immediately subsequent calendar year, including walls, fences, lighting, gates, streets, subdivision monuments, signs and sprinkler systems. (b) Any special assessment made by the Association pursuant to this Section 8.4 must have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose not less than ten (10) days nor more than fifty (50) days in advance of such meeting. At the first such meeting called by the Association, the presence of members (in person or by proxy) entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, provided that the required quorum at the subsequent meeting shall be one-half (1/3) of the minimum required quorum at the preceding meeting. No rescheduled meeting shall be held more than fifty (50) days following the preceding scheduled meeting.

Section 8.5 Effect of Nonpayment of Assessments; Remedies of Developers or the Association.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date until paid in full at the rate of ten percent (10%) per annum. Developers (if the Association has not been created or is no longer in existence as of such date) or the Association (if the Association has been formed and is in existence as of such date) may bring an action at law against the lot owner personally obligated to pay the same, may foreclose the lien against the lot and/or may pursue any other legal or equitable remedy available to it. No owner may waive or otherwise avoid liability for the assessment provided for herein by non-use of the Recreation Center (if any) or any Common Area or by abandonment of its lot.

Section 8.6 Subordinated Lien to Secure Payment.

The lien on any particular lot created as the result of the non-payment of any assessment provided for herein shall only be subordinate to the liens of any valid first lien mortgage or deed of trust secured by such lot. Sale or transfer of any lot shall not impair the enforceability or priority of the assessment lien against such lot.

Section 8.7 Duration. The assessments created for herein will remain effective for the full term (and extended term, if applicable) of the Declaration

Section 8.8 Declarants and Developers Not Liable for Association Deficits. Notwithstanding anything contained in this Declaration to the contrary, Declarant and Developer shall not be liable for any liabilities, obligations, damages, causes, causes of action, claims, debts, suits or other matters incurred by or on behalf of the Association or lot owners or for any deficits or shortfalls incurred or realized by or on behalf of the Association or lot owners in connection with the Subdivision or this Declaration. Declarant and

Developer's sole liability and obligation hereunder shall be limited to the assessments assessed against and lots owned by the Declarant or Developer, whichever applies.

ARTICLE IX PROPERTY RIGHTS IN COMMON AREA

Section 9.1 Common Area Defined and Property Rights in Common Area. Common Areas are those areas designated as such in the Supplemental Declarations Attached hereto and any subsequent Supplemental Declarations filed at record. The Developer, Association (if formed) and their successor, assigns, contractors, agents and employees shall have the right and easement to enter upon the Common Area (if any) for the purpose of exercising the rights set forth in this Declaration.

Section 9.2 Common Area Easements. Every owner shall have a non-exclusive right and easement of enjoyment in and to any Common Area, which right shall be appurtenant to and shall pass with the title to every lot, subject to the following provisions:

(a) the right of the Developer or Association (if formed) to charge reasonable admission and other fees for the use of any recreational facility (including, without limitation, the Recreation Center, if any) situated upon any Common Area;

(b) the right of the Developer or Association (if formed) to suspend the voting rights and rights to the use of the recreational facilities by an owner or occupant of a lot for any period during which any assessment against such owner's lot remains unpaid, and for a period not to exceed sixty (60) days for any infraction of this Declaration or the published rules and regulations of the Developer or Association (if formed); and

(c) the right of the Developer or Association (if formed) to dedicate or transfer all or any part of any Common Area to any public agency, authority or utility company for such purpose and subject to such conditions as may be agreed to by the Developer or Board (if the Association is formed); provided, however, that no such dedication or transfer shall be effective unless an instrument has been recorded and has been signed by two-thirds (2/3rds) of (i) the votes allocated to the lot owners as provided herein (if the Association is not formed or is no longer in existence as of such date), taking into account the weighted voting described herein, and (ii) each class of members evidencing their agreement to such dedication or transfer (if the Association has been formed and is in existence as of such date).

Section 9.3 Delegation of Rights. Any owner may delegate, in accordance with this Declaration or the bylaws of the Association, his right of enjoyment to the Common Area (if any) and facilities to the members of such owner's family or to persons residing on the lot under a lease or contract to purchase.

Section 9.4 Conveyance of Common Area to Association. Developer shall convey the Common Area (if any) to the Association (if formed), free and clear of any encumbrances other than as may be created by this Declaration or imposed by the City, County or other applicable governmental authority, (a) prior to the first VA loan guaranty or direct loan in the Subdivision if the Association is formed prior to such date, (b) if the Association is formed at a later date, then within a reasonable period of time after the Association is formed, or (c) if the improvements on the common Area will be completed at a later date than the dates specified in subparagraphs (a) or (b) above, then within a reasonable period of time after the completion of such improvements, subject to any required FHA and/or VA approvals.

Section 9.5 Dissolution of the Association. The Association may be dissolved by a written assent signed by the lot owners representing not less than two-thirds (2/3rds) of the votes of each class of members. In the event the Association is dissolved, the Common Area (if any) shall be conveyed to either (a) another non-profit Texas corporation, association, trust or other organization devoted to purposes similar to those of the Association, or (b) an appropriate governmental agency to be used for purposes similar to those for which the Association was created.

ARTICLE X
GENERAL PROVISIONS

Section 10.1 Utility Easements. Easements for the installation and maintenance of utilities and drainage facilities are reserved and shown on the Plat, including, without limitation, an easement over the front and rear ten (10) feet of each lot. Easements are or will be also reserved on the Plat for the installation, operation, maintenance and ownership of utility service lines from the lot lines to the residences. Developer reserves the right to make changes in and additions to the above easements for the purpose of most efficiently and economically developing the land and installing improvements in the Subdivision. The owner of a lot shall mow weeds and grass and shall keep and maintain in a neat and clean condition any easement that may traverse a portion of the owner's lot.

Section 10.2 Recorded Plat. All dedications, limitations, restrictions and reservations shown on the Plat(s) are and shall be incorporated herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by Developer or any Builder or other owner conveying lots in the Subdivision whether specifically referred to therein or not.

Section 10.3 Mortgages. It is expressly provided that the breach of any of the conditions in this Declaration shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value, as to the same premises or any part thereof encumbered by such mortgage or deed of trust, but said conditions shall be binding thereto as to lots acquired by foreclosure, trustee's sale or otherwise, but only as to any breach occurring after such acquisition of title.

Section 10.4 Term. The foregoing covenants and restrictions shall run with and bind all land within the Subdivision and shall remain in full force and effect for a term of thirty (30) years after this Declaration is recorded, and shall be automatically extended for successive periods of ten (10) years unless amended as provided herein.

Section 10.5 Severability. If any condition, covenant or restriction herein contained shall be invalid which invalidity shall not be presumed until the same is determined by the unappealable judgment or order of a court of competent jurisdiction, such invalidity shall in no way affect any other condition, covenant or restriction, each of which shall remain in full force and effect.

Section 10.6 Binding Effect. Each of the conditions, covenants, restrictions and agreements herein contained is made for the mutual benefit of, and is binding upon, each and every person acquiring any part of the land within the Subdivision, it being understood that, except as otherwise expressly provided herein with respect to Declarant, Developer and the Committee (if formed), such conditions, covenants, restrictions and agreements are not for the benefit of the owner of any land except land in the Subdivision. This instrument, when executed, shall be filed of record in the deed records of the County so that each and every owner or purchaser of any portion of the land within the Subdivision is on notice of the easements, conditions, covenants, restrictions and agreements herein contained.

Section 10.7 Enforcement.

(a) Except as limited or restricted hereby, Declarant, Developer, the Committee (if formed), the Association (if formed) and the owners of each lot and any portion of the land within the Subdivision shall have the easement and right to have each and all of the foregoing restrictions, conditions and covenants herein faithfully carried out and performed with reference to each and every portion of land within the Subdivision, together with the right to bring any suit or undertake any legal process that may be proper to enforce the performance thereof, it being the intention hereby to attach to each portion of land within the Subdivision, without reference to when it was sold, the right and easement to have such restrictions, conditions and covenants strictly complied with, such right to exist with the owner of each portion of the land within the Subdivision and to apply to all lots in the Subdivision. Failure by any owner, Declarant, Developer, Committee (if formed) or Association (if formed) to enforce any covenant or restriction herein contained or to take any action herein permitted shall in no event be deemed as a waiver of the right to do so thereafter. The rights of enforcement granted Declarant, Developer, Committee (if

formed) and Association (if formed) under this Declaration are personal rights and in no other event shall the owner of any land except land in the Subdivision have any right of enforcement with respect to this Declaration. In addition, the restrictions, conditions and covenants set forth herein may be enforced by the Building Inspector or any official performing similar functions for the City, and such Building Inspector is hereby authorized to refuse to revoke all permits for the construction of any improvements on any lot if the proposed improvements on such lot do not strictly comply with such restrictions, conditions and covenants.

(b) Notwithstanding anything contained herein to the contrary, all consents, approvals and actions reserved to or permitted to be taken or made by the Association may be taken, made or provided by the lot owners only if (i) the Association has not been created or is no longer in existence as of such date, or (ii) if the Association has been created and is in existence as of such date and the Association elects not to exercise such rights, easements and authority. In such event, the lot owners may take such action by the requisite vote of such lot owners as provided herein.

Section 10.8 Other Authorities. If other authorities, such as the City or County, impose more demanding, extensive or restrictive requirements than those set forth herein, the requirements of such authorities shall govern. Other authorities' imposition of lesser requirements than those set forth herein shall not supersede or diminish the requirements herein.

Section 10.9 Addresses. Any notices or correspondence to an owner of a lot shall be addressed to the street address of the lot. Any notices or correspondence to the Developer or Committee (if formed) shall initially be addressed to the Developer or Committee, whichever applies, at the addresses of the Developer, or to such other addresses as are specified by the Developer or Committee, whichever applies, pursuant to an instrument recorded in the deed records of the County.

Section 10.10 Joinder By Others. In addition to Declarant, the undersigned have either purchased, contracted to purchase, or have loaned money secured by a lien on lots in Mesa Oaks, Unit 1 and by their execution hereof have and do hereby join in, ratify and consent to the foregoing Declaration of Covenants, Conditions and Restrictions.

EXECUTED by the Declarants on the date shown in the acknowledgments below, to be effective as of this 14th day of April, 2006.
